MOBILE ACCESSORIES
GOALS

The leading lighting brand in Africa, introducing new energy saving products at affordable prices to all people. Good quality backed up by Flash guarantee.

A company that improves its clients’ lives by ensuring they make money and are profitable.

A company looking after its staff and improving their lives by providing a safe environment where staff can earn a fair living and advance through the company’s training and teachings.

Empowering community leaders, policemen, teachers and persons who help shape South Africa, to the end result of a safe and prosperous country for all its people.
